Goat Fest has been brought to you by Friends of South Side Park (FOSSP) with the help of the Hilltop Alliance, South Side Community Council, South Side Slopes Neighborhood Association, the City of Pittsburgh...and Allegheny Goatscape.

FOSSP is a volunteer organization that protects, improves, and promotes the South Side Park. We work on the trails, we work to reforest Jurassic Valley and we work with the City and PWSA to implement the 2018 Master Plan for the park. We would like to have your help!
